## Black Cat™

The Black Cat™ is a distinctive table with contemporary appeal. Built to the same exacting standards as all other Valley® tables, the Black Cat is rugged enough to withstand a commercial environment, but made for the home.

### Features:

- Solid, one piece, 3/4" imported slate
- Tapered corners and legs for an aggressive stance
- One-piece ball return chute nearly eliminates stuck balls
- Easy-to-adjust leg leveler allows one person to level a table in minutes with standard wrench
- Solid aluminum slate support assembly provides structural integrity and a flat playing surface
- Thick cushion rail rubber delivers consistent bounce
- Charcoal colored laminate with crystal flecks compliments a variety of decors
- Chrome corners and matching trim for a sleek, stealthy look
- Valley Teflon® Ultra Stain-Resistant burgundy cloth helps resist stains

## Tiger™

The home version of Valley's® most popular coin-operated pool table, the Tiger™ can stand up to the toughest environment.

### Features:

- Solid, one piece, 3/4" imported slate
- Tapered corners and legs for an aggressive stance
- One-piece ball return chute nearly eliminates stuck balls
- Easy-to-adjust leg leveler allows one person to level a table in minutes with standard wrench
- Solid aluminum slate support assembly provides structural integrity and a flat playing surface
- Thick cushion rail rubber delivers consistent bounce
- Biltmore Cherry wood grain laminate compliments a variety of decors
- Valley Teflon® Ultra Stain-Resistant green cloth helps resist stains

# Tiger Cat™
